

9.0670 Additional Credits On Open Competitive Examinations For Candidates Who Have Graduated from Career Technical Education Programs of the School District of Philadelphia. For open competitive examinations announced after May 1, 2023, excluding Police or Fire entry level exam announcements, five (5) additional points shall be added to the examination score of any candidate who has passed all other parts of the open competitive examination and who has completed and graduated from a career technical education (CTE) program of the School District of Philadelphia during the three year period immediately preceding the examination announcement date. If the preference would rank a CTE graduate above a veteran, additional points shall be applied to the CTE candidate's passing score to rank them directly below the veteran.

Candidates must submit official documentation of their completed program to be eligible for additional points.
