

Department of Parks and Recreation
Regulations Regarding Amplified Sound

1. The "Regulations for the Governance of the Park" of the Department of Parks and Recreation are hereby amended to add a new section as follows (additions in **Bold**):

Chapter II. Assemblies and Entertainment

* * *

Section 203. Amplified Sound

No person shall create or cause, or permit the creation of, electronically amplified sound from any park under the jurisdiction of the Department of Parks and Recreation that is audible at the property boundary of any occupied residential or commercial property outside of the park, unless a permit has been issued authorizing such electronic amplification pursuant to the requirements of Section 103.

2. The following Regulation Governing Recreation Centers is hereby established:

Regulations Governing Recreation Centers

Chapter I. General Regulations

Section 101. Amplified Sound

No person shall create or cause, or permit the creation of, electronically amplified sound from any Recreation Center property that is audible at the property boundary of any occupied residential or commercial property, unless a permit has been issued authorizing such electronic amplification. Permits shall be obtained pursuant to the requirements of Section 103 of the Regulations for the Governance of the Park. This regulation shall be enforceable pursuant to the provisions of Section 601 of the Regulations for the Governance of the Park.
