Department of Public Health

Date: 1/17/2023

Re: Regulation Relating to Severe Maternal Morbidity Surveillance by the Division of
Maternal, Child, and Family Health of the Philadelphia Department of Public Health

In accordance with § 8-407(a) of the Philadelphia Home Rule Charter, submitted herewith for legal review and approval is the “Regulation Relating to Severe Maternal Morbidity Surveillance by the Division of Maternal, Child, and Family Health of the Philadelphia Department of Public Health,” which has been approved by the Board of Health; and (2) the Law Department approval for this regulation.

The following procedural actions have been taken:

Regulation approved by the Board of Health	1/12/2023
Regulation approved by the Law Department	1/13/2023

It is requested that the attached “Regulation Relating to Severe Maternal Morbidity Surveillance by the Division of Maternal, Child, and Family Health of the Philadelphia Department of Public Health” be filed for final action by the Department of Records.
