MEMORANDUM

TO: Anthony Tann, Jr., Administrative Technician, Records Department

FROM: Sonny Popowsky, Chair, /*SP*/
Philadelphia Water, Sewer and Storm Water Rate Board

DATE: November 5, 2021

SUBJECT: **Amended Regulations of Water, Sewer and Storm Water Rate Board**

On September 8, 2021, the Philadelphia Water, Sewer and Storm Water Rate Board (the “Board”) voted to authorize the promulgation of an amendment to existing Regulation I(t) of the Board, originally promulgated by the Board in December 2015 and amended in September 2017 and February 2019 pursuant to Section 8-407 of the Philadelphia Home Rule Charter and Section 13-101(3)(e) of the Philadelphia Code.

The Board filed the amendment with the Records Department on September 8, 2021. At the Board’s request, the Records Department advertised the filing with a notation that the Board would hear any challenge to the proposed Regulations at a virtual hearing it had scheduled for Wednesday, October 13, 2019 at 3 p.m. via Zoom, and that people were welcome to attend in person in Conference Room 17D, One Parkway, 17th Floor, 1515 Arch Street, Philadelphia PA 19102.

Nobody requested such a hearing. The Board held the hearing on October 13, 2021. Nobody objected to the proposed Regulations, and the Board reaffirmed them at its monthly meeting the same afternoon.

I attach a copy of amended Regulation I(t) showing changes from the 2019 version, a clean copy of amended Regulation I(t), and a memo from the Law Department. Please reply and indicate when the amended Regulation officially takes effect.

Thank you.
