

## **Regulation 17- Dismissals, demotions, suspensions and appeals**

**17.072 - MEDICAL REEXAMINATIONS.** If, as and when the employee believes they have recovered and/or are able to return to work, they may apply to the Chief of the Municipal Medical Dispensary for examination or reexamination. Such an application made to that officer by personal appearance at their office prior to the expiration of a leave with or without pay shall suspend the application of Regulation [22.021](#) until five (5) days after the employee has been notified by that officer by mail or email.
