

## **REGULATION 6 – PAY PLAN – 6.14 – PAY DIFFERENTIAL CATEGORIES**

6.14-58 SEWER MAINTENANCE INSPECTORS. Effective March 24, 2022, Employees permanently allocated to the Sewer Maintenance Inspector class (7B11) shall receive for the duration of the assignment additional compensation equivalent to 1.2% of their base salary. The differential will only be paid for the duration of the assignment and will cease immediately if the employee is relieved of this responsibility. The differential received will be considered full compensation for any additional duties and responsibilities performed as a result of this assignment.
