Good afternoon Managing Director Alexander,

Attached is the proposed regulation to extend outdoor dining through December 31, 2021. The current regulation expires as of Friday December 31, 2020. I have reviewed the proposed regulation and find that it is in legal and proper form. I have attached an approval memo to that effect.

Once approved it will need to be sent to the Department of Records along with the approval memo. I am happy to forward it on your behalf with confirmation of your approval.

This regulation may be promulgated immediately upon delivery to the Department of Records as a temporary regulation. By its terms, it is set to take effect on January 1, 2021.

Please let me know if you have any questions or concerns.

Sincerely

Joanna Klein
